A Memorandum was received from the Montana Department of Revenue this week with respect to dealing with the impacts of the North Western Energy Property Tax Settlement. A motion was made by Commissioner Lee and seconded by Commissioner Martens not to recertify; motion carried 2-0. Discussion was held regarding recertification to change the taxable value (mills). Colstrip Schools was the only entity who requested to recertify. It was discussed that due to the expense, the timing, and the uncertainty as to how long the process will take, it was decided that the impacts of recertification are not worth the costs and the efforts to recertify and it is not in the best interest of Rosebud County taxpayers to withhold the tax bills.
