

ROSEBUD COUNTY GROWTH POLICY - SURVEY

UPDATE OF THE 2013 PLAN

The County's Growth Policy will be a guide for addressing the various issues and opportunities that residents face, including the impacts of plant closures at Colstrip. The document is meant to evaluate conditions in the County, identify trends and provide goals and specific actions that will focus on improving or maintaining economic development, local services, infrastructure and housing. Please help us make this project a success by providing your advice and guidance.

OK

1. Where do you live?

Unincorporated County (outside of cities and towns)

Forsyth

Colstrip

Lame Deer

Ashland

Elsewhere

2. What do you like about living in the County?

Quality of Life

Safe place to live

Close community

Community services (hospitals, libraries, recreation)

Rural lifestyle

Schools

Quiet wide-open spaces

Other (please specify)

3. What would you improve in the County?

Job opportunities

Retail/shopping options

Predictable economy

Community services (library, senior services etc.)

Housing options

Schools

Recreational/leisure opportunities

Communications (Broadband internet, cell phone)

Healthcare options

Other (please specify)

4. What topics are of the greatest importance to you? Please rank them.

Economic opportunities (jobs, businesses)

Emergency services (ambulance, fire departments)

Community services (senior services, libraries, recreation)

Healthcare (hospital, keeping medical staff)

Schools (enrollment, staffing)

Infrastructure (roads, bridges)

Improved communications (Broadband/Internet and cellphone)

Recreational and leisure opportunities

Housing options

Other

5. The pending closure of power generating plants #1 and #2 will negatively impact the County's tax revenues and thus the County's ability to provide services. How should the County address this situation? Please rank these options.

Focus on essential services (i.e. law enforcement, fire department, roads)

Attempt to maintain the existing levels of service provided today.

Spread potential budget cuts across all County services.

Attract new businesses and industry to the County to offset the loss of tax revenues.

6. If the County had to focus on one topic, what should it be?

Economic development (attracting businesses and creating jobs)

Emergency services (ambulance, fire department etc.)

Healthcare (hospital, staffing etc.)

Other (please specify)

Infrastructure (roads, bridges)

Community services (senior services, libraries, recreation)

Communications (Broadband internet, cell phone)
