

EFFECTIVE DATE OF COVERAGE

All coverage under the Plan will commence at 12:01 A.M. in the time zone in which the Covered Person permanently resides, on the date such coverage becomes effective.

PARTICIPANT COVERAGE

Participant coverage under the Plan will become effective on the first day immediately after the Employee satisfies the applicable eligibility requirements and Waiting Period. If these requirements are met, the Employee must be offered coverage or an opportunity to waive coverage even if the offer is after the date coverage should become effective, regardless of the time that has elapsed, provided that the reason coverage was not offered before the end of the Waiting Period was as a result of an administrative error on the part of the Employer, Plan Administrator or Plan Supervisor.

An eligible Employee who declines Participant coverage under the Plan during the Initial Enrollment Period will be able to become covered later in only two situations, Open Enrollment and Special Enrollment.

A Variable Hour Employee will remain covered for a period of time not to exceed twelve (12) months from the effective date of coverage (the Coverage Period) regardless of the number of hours worked and applicable leave, as long as the individual remains employed by the Company. At the end of the Coverage Period, if the individual remains employed as a Variable Hour Employee and averages at least one hundred thirty (130) hours per month during the Coverage Period, the individual will remain covered for a period of time not to exceed an additional twelve (12) months.

"Coverage Period" is the maximum period of time Variable Hour Employees can be covered under the Plan as active Employees after completion of a Measurement Period as defined in the "Eligibility Provisions under the "Employee Eligibility" subsection.

If an eligible Employee chooses not to enroll or fails to enroll for coverage under the Plan during the Initial Enrollment Period, coverage for the Employee and Dependents will be deemed waived.

If a Participant chooses not to re-enroll or fails to re-enroll during any Open Enrollment Period, coverage for the Participant and any Dependents covered at the time will remain the same as that elected prior to the Open Enrollment Period.

DEPENDENT COVERAGE

Each Participant who requests Dependent Coverage on the Plan's enrollment form will become covered for Dependent Coverage as follows:

1. On the Participant's effective date of coverage, if application for Dependent Coverage is made on the same enrollment form used by the Participant to enroll for coverage. This subsection applies only to Dependents who are eligible on the Participant's effective date of coverage.
2. In the event a Dependent is acquired after the Participant's effective date of coverage as a result of a legal guardianship or in the event that a Participant is required to provide coverage as a result of a valid court order, or if the Dependent is acquired as a result of operation of law, Dependent Coverage will begin on the first day of the month following the Plan's receipt of an enrollment form and copy of said court order, if applicable.

OPEN ENROLLMENT PERIOD

The Open Enrollment Period will be December 1st through December 31st of each year. The following may occur during an Open Enrollment Period:

1. An Employee and the Employee's eligible Dependents who are not covered under this Plan, may request Participant or Dependent coverage. Coverage must be requested on the Plan's enrollment form.
2. An Employee may make changes in Plan Options.
3. This Plan offers an Optional Retiree Plan for eligible Retirees and their Dependents: An eligible Retiree may request coverage under the Optional Retiree Plan or change Plan options during any Open Enrollment Period. Such election or change must be requested on a form approved by the Plan.

Coverage requested during any Open Enrollment Period will begin on January 1st immediately following the Open Enrollment Period.
