ACCIDENTAL INJURY BENEFIT

Expenses not eligible under this benefit may be considered under the Medical Benefits of this Plan.

Charges in connection with an Accidental Injury are payable as stated in the Schedule of Medical Benefits. Any portion of the charges exceeding the maximum benefit will be considered under the Medical Benefits Section of the Plan, subject to all Plan conditions, exclusions and limitations. Services and supplies must be ordered by a doctor and furnished within a ninety-day period beginning with the date the Covered Person sustained those injuries.

Charges for the following are covered under this benefit when furnished for medical care to the Covered Person for Accidental Injuries including, but not limited to:

1. Services and supplies (including Room and Board) furnished by a Hospital for medical care in that Hospital.
2. Doctors’ services for surgical procedures and other medical care.
3. Surgical dressings.
4. X-ray and laboratory examinations.
5. Private duty professional nursing services by a Registered Nurse (R.N.) or a Licensed Practical Nurse (L.P.N.).
6. Casts, splints, trusses, braces and crutches.
7. Ambulance service for local travel to the nearest facility capable of treating the Injury.

Chiropractic Care Services are specifically excluded under this benefit.
HOSPITAL ADMISSION CERTIFICATION

The Plan strongly recommends, but does not require, for Inpatient Hospital admissions that the Covered Person pre-certify the Inpatient stay or notify the Plan of an emergency admission.

Pre-certification, Plan notification and case management are designed to:

1. Provide information regarding coverage before receiving treatment, services, or supplies;
2. Provide information about benefits regarding proposed procedures or alternate treatment plans;
3. Assist in determining out-of-pocket expenses and identify possible ways to reduce them;
4. Help avoid reductions in benefits which may occur if the services are not Medically Necessary or the setting is not appropriate; and
5. If appropriate, assign a case manager to work with the Covered Person and the Covered Person's providers to design a treatment plan.

A benefit determination on a claim will be rendered only after the claim has been submitted to adjudicate whether it is eligible for coverage under the terms and conditions of the Plan. If it is determined not to be eligible, the Covered Person will be responsible to pay for all charges that are determined to be ineligible. Therefore, although not required, pre-certification and Plan notification of emergency admissions is strongly recommended to obtain coverage information prior to incurring the charges.

PRE-ADMISSION CERTIFICATION REVIEW

The Plan recommends that prior to admission for any non-emergency Illness or Injury, and within seventy-two (72) hours after admission for any Emergency Illness or Injury, the Covered Person or the Covered Person's attending Physician call the designated utilization management company, retained by the Plan Sponsor in connection with this Plan, for a pre-admission certification review.

To pre-certify, call the utilization management company at (800) 342-6510 for pre-admission certification review.

Most certifications occur over the phone. Once a final decision is made regarding the request for certification, a notice of pre-certification will be sent to the Physician, to the Covered Person, to the Plan Supervisor and to the hospital.

NOTE: PRE-CERTIFICATION OF BENEFITS IS NOT A GUARANTEE OF PAYMENT OF THE CLAIM(S). ELIGIBILITY FOR CLAIM PAYMENTS IS DETERMINED AT THE TIME CLAIMS ARE ADJUDICATED SINCE THE AMOUNT OF BENEFIT COVERAGE, IF ANY, IS SUBJECT TO ALL PLAN PROVISIONS INCLUDING, BUT NOT LIMITED TO, MEDICAL NECESSITY, PATIENT ELIGIBILITY, DEDUCTIBLES, CO-PAYMENTS AND ANY PLAN LIMITATIONS OR MAXIMUMS IN EFFECT WHEN THE SERVICES ARE PROVIDED. PROVIDERS AND COVERED PERSONS ARE INFORMED AT THE TIME CLAIMS ARE PRE-CERTIFIED THAT PRE-CERTIFICATION OF A COURSE OF TREATMENT BY THE PLAN DOES NOT GUARANTEE PAYMENT OF CLAIMS FOR THE SAME.

CONTINUED STAY CERTIFICATION

Charges for Inpatient Hospital services for days in excess of any days previously certified by the utilization management company are subject to all terms, conditions and exclusions of the Plan, and should be certified by the Plan's utilization management company.

Certification for additional days should be obtained in the same manner as the pre-admission certification.
EMERGENCY NOTIFICATION/CERTIFICATION

The Covered Person, or his or her representative, should notify the utilization management company for the Plan regarding any Emergency Hospital Admission within seventy-two (72) hours immediately following admission.

To notify the Plan of an emergency admission, call the utilization management company at (800) 342-6510 for emergency admission certification.
