Notification**

2024 – 2025 School Year

Each year parents are required to notify the County Superintendent of Schools' Office of their intent to home school. Parents may come into the office located in the Rosebud County Courthouse to complete the notification. Or they may print a copy of the form, complete and sign, and mail, email or fax them to the office. The Form for Annual Notification is provided to assist you in the process.

Forms are due by October 1st of each school year.

Thank you for using this method for notifying the office of your intention to home school this year.
